DuoBaths™

Clifton Range®

Two independently controlled unstirred water baths in one space saving unit provides a stable temperature environment. Featuring PID temperature control for precision. DuoBaths™ feature run back or delay start timer.

Controls feature auto alarm setting, illuminated on/off switch, heater and over temperature indications. Comprising of high quality corrosion resistant tanks, with a bright clean finish housed in durable paint finishes outer case.

Painted surfaces feature anti-bacterial finish with good chemical resistance.

Three shelves are supplied, two at conventional height and a taller 100mm version designed to accommodate small media vessels, bijou style bottles in a shallow depth.

Using the conventional height in both chambers gives the benefit of two standard baths in one space saving unit.

3 Year WARRANTY
